Weimar has experienced a positive case of an individual that works in our HS/JH cafeteria. This morning we canceled the serving of breakfast to sanitize the entire kitchen area and are strictly following guidelines from the health department, to insure the safety of our students. The contact tracing and procedural reviews confirms that masks and gloves were worn properly at all times, during food preparation and distribution. Out of an abundance of caution, we will be preparing all of our lunches at the Elementary and transporting them over in individualized boxes, for the next 2 weeks.

If you have any questions or concerns, please reach out to the Superintendent at 979-725-6306 or visit our website at www.weimarisd.org.

Sincerely,

Jon Wunderlich
Superintendent
