I would like to welcome all students, parents, and faculty back to the 2021-2022 school year. It is my hope that everyone comes back refueled and ready to build on the success from the previous school year. The accomplishments from the past are amazing and I look forward to continued success of the future. To those new to the district, you have joined an amazing district and community that is full of pride for the Wildcats. I am anticipating an exciting and challenging year where students will have the opportunity to grow and become well rounded. We are so fortunate to have a district of which we can be proud – where students represent their campus, district and community with pride.

Welcome again to all and please remember, our doors are always open and we are here for the students and the community.

Lets make this a safe and blessed school year.

Charles Henke
Principal
Weimar Junior High
