

Any time you change phone numbers or email address, report the changes to your student's school as soon as possible.

Weimar ISD must maintain accurate contact information since the information is used to

- 1. Communicate to parents about their child**
- 2. Notify families in case of an emergency**
- 3. Call households for special announcements/School Messenger**

The school also needs to remove old numbers.

Parents often wait until a new school year to update contact information, but the school wants to remind parents/guardians that at any time you change your address, phone number, or email address, you should notify the school with the new information.
