**School Safety Transfers**

The parent of a student who becomes a victim of a violent criminal offense as described in the state guidance for unsafe school choice options or who is assigned to a campus identified by TEA as persistently dangerous shall be offered a transfer to a safe public or charter school within the District.

For each transfer requested, the District shall explore transfer options, as appropriate. Options may include a transfer agreement with another school district.

**From a Persistently Dangerous School**

The parent of a student attending a school identified as persistently dangerous shall be provided notification of his or her right to request a transfer. Notification shall occur at least 14 days prior to the start of the school year or, for a student enrolling subsequently, upon the student's enrollment.

The parent must submit to the Superintendent an application for transfer. The Superintendent shall complete the transfer prior to the beginning of the school year, if applicable, or within 14 calendar days of the request for a subsequently enrolling student.

Any transfer arranged for a student from a campus identified by TEA as persistently dangerous shall be renewed so long as the campus from which the student transferred retains that designation.

The District shall maintain, in accordance with the District's record retention schedule, documentation of notification to parents of the transfer option, transfer applications submitted, and action taken.

For a Victim of a  
Violent Criminal  
Offense

Within 14 calendar days after a violent criminal offense described above occurs in or on the premises of the school the student attends or while attending a school-sponsored or school-related activity, on or off school property, the District shall notify the parent of a student who is a victim of the offense of the parent's right to request a transfer. The parent must submit to the Superintendent an application for transfer. The Superintendent shall approve or disapprove the request within 14 calendar days of its submission.

Any transfer arranged for a student who was a victim of a violent crime as described above shall be renewed so long as the threat to the student exists at the campus to which the student would typically be assigned.

For each offense, the District shall maintain for at least five years documentation of the nature and date of the offense, notification to the parent of the transfer option, transfer applications submitted, action taken, and other relevant information regarding the offense.

**Additional Transfer  
Options**

In circumstances described by Education Code 25.0341, a parent of a student who has been the victim of a sexual assault, regardless of whether the offense occurred on or off school property, may request a transfer of the parent's child or the student assailant from the same campus.
