

'Lunch with Your Student on their Birthday' update!

Happy first week of school families!

Parents are able to come eat breakfast or lunch with their child on their birthday! Students with a summer birthday can have their parents pick a day to come eat lunch with them throughout the school year. Parents may bring lunch for their child as well as themselves to eat, OR parents are able to request a tray from the cafeteria, which costs \$1.75 for breakfast, and \$3.65 for lunch.

Here is how:

1. Ring the doorbell to the office, and personnel will let you in the front door.
2. Bring your driver's license into the front office and office staff will use it to create a name tag for you to wear on your shirt.
3. Eat breakfast or lunch with your child in the cafeteria.
4. Return to the office and check-out before you leave.

Breakfast is served 7:30-7:50 every morning.
