

Dear Weimar Wildcat Parents and Guardians,

On behalf of the staff at Weimar Elementary School, I am happy to welcome you to the 2023-2024 school year! We look forward to a wonderful school year with your children. We strive to make every school day engaging, meaningful, and memorable for our students.

We invite you to become an active participant in our school community through volunteering, joining our PTO, and attending and supporting school events. We will host multiple family events on campus throughout the school year, and hope to see you at each one!

We truly believe that communication is the key to a successful educational experience. Classroom teachers will be using Remind to share messages and important reminders with parents. A newsletter will be attached to every progress report and report card with important information from the principal's office. Please do not hesitate to contact your child's teacher or the office if you need additional information.

Weimar Elementary School is a great place to learn, and we are privileged to help raise Weimar Wildcats! We appreciate your support and look forward to an awesome school year together!

Yours Truly,

Kristy Janecka

Weimar Elementary Principal
