

MEET THE TEACHER!

THE BASICS!

My name is Mandy Simons and this is my 10th year as a Special Education Teacher here at Weimar Elementary after beginning my teaching journey at Weimar Junior High. I love teaching here and am blessed to consider Weimar home. My partner Amanda and I have four wonderful children—Emma is going into 6th grade, Kate is in 4th and the twins Jack and Nora are going into 2nd. Teaching special education is my true passion. I believe every student possesses unique strengths, talents, and potential waiting to be unlocked. I look forward to being part of your child's journey!

MY CHILDHOOD!

I was raised in a suburb of Houston, Texas. My brother and I grew up in a neighborhood with tons of kids and were always outside riding our bikes, building forts, or playing flashlight tag after the streetlights came on. My family moved to Schulenburg, Texas when I was in 8th grade. It was a huge adjustment but I'm thankful now for all the things small towns offer. I graduated from Schulenburg High School in 2003 where I was involved in sports (had more of a supportive role on the bench), NHS, FFA and Drill Team.

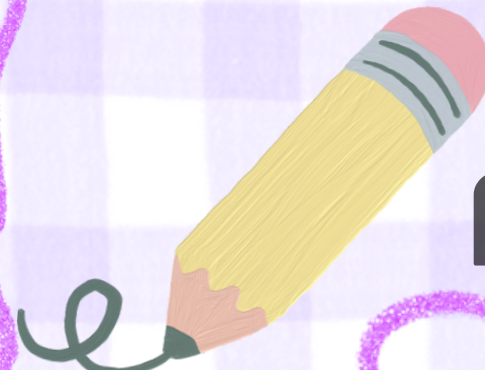

MY EDUCATION!

I graduated from St. Edward's University in Austin, Texas in December of 2006 with a Bachelors in Psychology. I began my Masters Program to become a Licensed Professional Counselor (with the intent to get my doctorate) before having a complete change of heart while working at a residential day school for children with disabilities. I pursued my alternative teaching certification and am beginning my 17th year of teaching special education at Weimar ISD!
