

Dear Weimar Wildcat Parents and Guardians,

On behalf of the staff at Weimar High School, I am happy to welcome you to the 2026-2027 school year! We look forward to a successful school year with your children. We strive to make every school day engaging, competitive, and memorable for our students.

We invite you to become an active participant in our school community through volunteering in our booster organizations, as well as attending and supporting school events.

We truly believe that communication is the key to a successful educational experience. Classroom teachers will be using Remind to share messages and important reminders with parents. A newsletter will be attached to every progress report and report card with important information from the campus. Please do not hesitate to contact your child's teacher or the office if you need additional information.

Weimar ISD is one of the top districts across the state of Texas, and we are honored to be Weimar Wildcats! We appreciate your support and look forward to an awesome school year together!

Yours Truly,
Kristy Janecka
Weimar High School Principal
