

WHS Band Syllabus

Attendance - Rehearsal and Performance Expectations

In order to achieve and maintain a high quality band program, it is sometimes necessary to have extra rehearsals outside of the regular school day. If possible, extra rehearsals will be scheduled in advance so that transportation arrangements can be made.

If at any time a band member is unable to attend a rehearsal or a performance, it is the student's responsibility to notify the director **with reasonable advance notice or AS SOON AS POSSIBLE in cases of emergencies**. Absences will be considered unexcused unless advance approval is given. **Notification of an absence does not excuse an absence**. It will be up to the directors whether or not the absence will be excused or if a make-up can be done.

All band members are expected to be at all band rehearsals and performances.

Band is a performance-based class. Unexcused absences from rehearsals or performances will have a negative impact on the student's grade. Performances cannot be made up as with other class work. If a performance is missed and is unexcused, an alternate assignment may be given at the discretion of the band directors and receive partial credit.

Examples of required performances (but not limited to):

Football games

Concerts / other public performances

Events that the band has been requested to perform at.

Contests / festivals (UIL eligibility participation guidelines in affect)

Sectionals:

Sectionals **may** be held at some point during the school year (usually early fall and early spring). These sectionals are mandatory. Everyone will be expected to attend sectionals on the assigned day and time. Each sectional will count as part of your grade. Sectionals may be held before, after, or possibly during the school day if possible. Please remember that we do our best to find a time that will work to alleviate after school conflicts. There is always the possibility that all conflicts can not be avoided.

Grading:

Students will be graded on playing tests, written tests, tardiness to performances & rehearsals, participation, etc... in accordance with school grading policy(at least 6 daily grades and 3 tests per 6 weeks). It is very easy to get a good grade in band as long as you do what is expected of you.

Students are expected to take instruments home to practice on a regular basis for homework. If a student cannot take an instrument home due to transportation issues, they may practice in the band hall before or after school.

Grade Checks:

We will be doing our own grade checks to help keep up with who might be falling behind on grades/classwork. Anyone not passing all of their classes on Friday will be held in the stands during 3rd quarter and will not be allowed to leave the stands during the game except to go to the restroom. Students held in the stands may still ask others to purchase items from the concession stand for them if they choose to.

Grading Outside of School Hours:

TEA / UIL Side-by-Side:

May a (fine arts director, coach, or academic sponsor) teacher or extracurricular sponsor responsible for posting a student's grade give points or subtract points from a grade when a student (excels in or) does or does not (fully) participate in an extracurricular activity? The teacher of a class is responsible for assessing students for promotion based only on "academic achievement or demonstrated proficiency of the subject matter of the course or grade level" (TEC §28.021). If a student is enrolled in a class in which participation in extracurricular activities is a reasonable expectation of the class, the teacher may consider the student's participation in the extracurricular activity when assigning the grade for the grading period during which the extracurricular activity occurred.

Band Calendar-

The official band calendar will be visible through the BAND App. A hard copy can be requested if necessary. It will be the responsibility of each student and their parents/guardians to be familiar with the calendar and check it often, as dates and events may change. Remember, all dates/times are subject to change. If there is any question about a date please ask Mr. Freeman.

Band App-

The Band App will be an important means of communication between staff, parents, and students. It is the most efficient way for Directors to communicate information quickly. It is essential that all students and parents with access to devices download the app and register with the organization's page. Information such as dates, event updates, travel, reminders, etc. will be posted here. The QR code to join will be made accessible to band members/families via flyers and social media.

Photo/Video Uploads-

A Photo/Video folder will be made available in Google Drive, where photos and videos from throughout the school year can be uploaded. These photos will be used for slideshow presentations for social events at the end of the school year. This is the link to that folder:

Google Classroom-

There will be a HS Band Google Classroom. From time to time we may put assignments in the classroom to help students and parents keep up with current assignments and announcements. We encourage parents to accept the invitation for the class when that invitation goes out.

Rules & Conduct

1. Be on time to class/rehearsals or you will be tardy.
2. Stop talking when a director is on the podium.
3. Respect yourself and others.
4. Respect equipment. Take care of it!
5. Not yours...Don't touch!!!
6. Always put your instrument away **correctly** in its rightful place.
7. **Only Band Students** are allowed in the band hall - Everyone else can wait outside.
8. Always have your instrument - You can't play without it - No Play...No Pass.

Supplies-

Some supplies that may be needed for playing or caring for your instrument, such as reeds, oil, grease, etc. may be available in the band hall office. Please make plans to get these items before or after school, NOT during class time. Please, be prepared to pay a small fee (amount to be determined) for supplies (if necessary).

School-owned Equipment-

Anyone who is issued school owned equipment is responsible for its care and upkeep. Any damages or loss due to negligence made to an instrument will be repaired and charged to the student. Be careful!! It costs approximately \$70-\$80 per hour for instrument repair.

Any book, binder, tuner, etc. that is checked out will be the responsibility of the student. Students will be charged for replacing damaged/lost materials. Whether or not materials need to be replaced will be at the directors' discretion.

When the band takes a trip with instruments, each student is responsible for making sure all necessary equipment and/or materials is loaded. There will be a loading crew assigned to help load the bus/trailer but each student is responsible for staging and/or

loading their equipment properly. Upon returning from the trip each student is responsible for helping to unload and getting everything put up in its rightful place. The band hall will not be opened until all trash in the bus is picked up and disposed of properly.

Students will be expected to ride with the band to and from our destination according to school policy. If a student will be leaving with a parent after an event, both parent and student need to check in with a Director before leaving. Students will only be released to a **parent only unless prior arrangements have been made or approved by the director.** Documentation will be required.

Band Fees-

Each student will have band fees that will need to be paid at the beginning of the school year. Not all students may need to pay the same amount.
