

Weimar Elementary School is seeking candidates for a Classroom Teaching position for the 2023-2024 school year.

A Classroom teacher is responsible for:

- planning and executing daily lessons plans that include differentiated and rigorous instruction.
- ensuring that students are making adequate yearly progress on mastery of grade level TEKS.
- attending professional learning opportunities and continuously improving teaching strategies that help students throughout the school year.
- obtaining G/T certification and completing a 6 hour update annually.
- obtaining ESL certification and completing TELPAS calibration.
- playing an active role in their grade level team and contributing to a positive campus culture for all students and adults.
