

### Weimar Special Education Teacher Job Description Job Description:

This position involves working with students (grades 5 through 8) in a small group intervention classroom doing activities and instruction designed to target the student's individual educational needs. This position also includes working in self-contained classroom for part of the day with special education students in a life skills setting. This position involves case management for all junior high special education students (around 25 to 30 students). The teacher will provide special education students with learning activities and experiences designed to help them fulfill their potential for intellectual, emotional, physical, and social growth. The teacher will develop or modify curricula and prepare lessons and other instructional materials to student ability levels. The position may require lunchroom duty during student lunch and duties before and after school. This job will require strict adherence to laws involving confidentiality of student information. The day will begin at 7:30AM and end at 4:00PM. This job description is subject to change in order to meet the needs of our students and the district throughout the school year. The position will begin at the start of the 22-23 school year on August 1<sup>st</sup>. Fingerprinting and background check is required.
