TECHNICAL BACKGROUND

Please describe your technical skills and capabilities. Highlight specialized education, technical training and/or other hands-on experience, even if it may not be directly relatable to LCRA or its operations. There is no minimum or maximum length; you may include your background information in the field below or attach a separate document.

PERSONAL STATEMENT

Please describe yourself and why you would like to be considered for a scholarship, and why you believe that you have a unique contribution to make to LCRA. Give special attention to its organization, content and structure. There is no minimum or maximum length; you may include your statement in the field below or attach a separate document.

SUPPLEMENTAL INFORMATION

Please share any additional information that you feel may be helpful to the scholarship committee(s) as they review and consider your application. Examples include high school activities (e.g., publications, debating, dramatics, music, art, student government, clubs, sports, etc.), community volunteer activities (e.g., outreach programs, hotlines, hospital work, etc.), and work experience (e.g., employer, type of duties performed, length of employment, etc.). There is no minimum or maximum length; you may include your supplemental information in the field below or attach a separate document, including a curriculum vitae or resume, if desired.

RECOMMENDATIONS

Please provide at least two written recommendation letters from a teacher, employer or other adult with whom you are personally familiar along with this application. There are no formal guidelines for references, but statements regarding your work ethic, skills and prior work experiences are especially helpful.
