

TILF Scholarship Opportunities

From 1959 to 2023, TILF has awarded more than 22,000 scholarships valued at over \$38 million. Amounts of scholarships range from \$500 for one year to \$24,000 over four years. Some scholarships have special requirements or restrictions such as requiring a student to select certain majors, attend specific colleges or universities, or compete in specific contests. Details of all scholarships and their requirements are listed at the TILF website.

Applications for 2024 may be submitted in March through May of that year (specific deadlines can be found online at www.tilfoundation.org).

All TILF applicants must meet the following requirements:

- Must have competed at the UIL Academic State Meet, Congressional Debate State Meet, One-Act Play State Meet, or Theatrical Design State Meet **OR** must have advanced to the **octofinal round** (second day) of the Cross Examination Debate State Meet, **OR** must be a **state finalist** in the Barbara Jordan Historical Essay Competition, the Latino History Essay Competition, or the Young Filmmakers Festival **OR** must have been a member of one of the **top 10 teams** per competition group at the BEST or FIRST state robotics contests
- Must plan to attend an accredited college or university in the state of Texas, enroll full-time in college, and maintain a 2.5 college GPA (some scholarships require a higher GPA)
- Must be graduating from high school during the current academic year

Advancing to the state level in academic pilot contests that are not yet officially sanctioned by the UIL does not qualify a student to apply for TILF scholarships.

Applicants who are graduating under the state of Texas three-year graduation schedule should inform TILF of that fact. Students who are entering the Texas Academy of Math and Science at the University of North Texas in Denton will apply the year they complete their high school requirements at the TAMS.

The awards committee typically meets in June and all applicants will be notified of their status by mid-July of the application year.
