

High School Scholarship Program for Technical Jobs

Please indicate the scholarship(s) to which you are applying:

- Fleet
- Facilities
- Power plant operations
- Power plant maintenance
- Power plant instrumentation and control
- Telecom

APPLICANT INFORMATION

Full Name	
Home Address	
Email Address	
Phone Number	

HIGH SCHOOL INFORMATION

Please provide a current official high school transcript along with this application.

High School Name	
Projected Class Rank and Percentile	
Current GPA	

COLLEGE INFORMATION

Please indicate which college(s) you have been accepted to and provide documentation of your college acceptance(s), to include degree program information, along with this application.

- Texas State Technical College
- Tyler Junior College
- Blinn College

TECHNICAL BACKGROUND

Please describe your technical skills and capabilities. Highlight specialized education, technical training and/or other hands-on experience, even if it may not be directly relatable to LCRA or its operations. There is no minimum or maximum length; you may include your background information in the field below or attach a separate document.

PERSONAL STATEMENT

Please describe yourself and why you would like to be considered for a scholarship, and why you believe that you have a unique contribution to make to LCRA. Give special attention to its organization, content and structure. There is no minimum or maximum length; you may include your statement in the field below or attach a separate document.

SUPPLEMENTAL INFORMATION

Please share any additional information that you feel may be helpful to the scholarship committee(s) as they review and consider your application. Examples include high school activities (e.g., publications, debating, dramatics, music, art, student government, clubs, sports, etc.), community volunteer activities (e.g., outreach programs, hotlines, hospital work, etc.), and work experience (e.g., employer, type of duties performed, length of employment, etc.). There is no minimum or maximum length; you may include your supplemental information in the field below or attach a separate document, including a curriculum vitae or resume, if desired.

RECOMMENDATIONS

Please provide at least two written recommendation letters from a teacher, employer or other adult with whom you are personally familiar along with this application. There are no formal guidelines for references, but statements regarding your work ethic, skills and prior work experiences are especially helpful.

ATTESTATIONS

By submitting this application, I certify that the above information, and any associated attachments, are true and correct to the best of my knowledge.

By submitting this application, I certify that I understand, if selected, I am committing to attendance at one of the approved technical trade schools to obtain my associate degree in an approved area of study relevant to the scholarship received, to maintain a minimum GPA of 3.0, to follow the minimum hours per semester for my degree plan, to summer internship employment with LCRA, and to a minimum of three years of employment with LCRA immediately following college graduation.

By submitting this application, I certify that I understand, if selected, the scholarship award that will be provided to me is \$10,000 per semester, with a maximum annual payment of \$20,000.

Applicant Signature _____ Date _____

PARENTAL CONSENT AND ACKNOWLEDGEMENT

By submitting this application, I concur with the attestations above and further understand that, if my child is selected, there may be tax implications related to accepting these scholarship funds.

Parent Signature _____ Date _____
